Logistics

The meet will begin at 9:00 a.m. at the Crandell Swim Complex Pool (see Map with directions to pool and pool complex). A 30-minute lunch break will begin after the event ending closest to noon. No loud radios are allowed in the camping area. If you are bringing a generator please bring a long extension cord (100 ft.) so that the noise will not interfere with the PA system. The campsites will be assigned based on the receipt of the Meet Manager export file. First in will receive the closest camp. Kingsburg will be the furthest campsite.

Entries

All entries must be submitted in Team Manager – Meet Entries Export File format to Josh O'Bannon and CVRSL (e-mail address kingsburgseawolves@gmail.com and DivisionI@cvrsl.org) by Sunday July 5th by 5:00 p.m. Late entries (new qualifiers) will be accepted no later than Wednesday July 8th at noon. Please send relays with entries by noon on the 8th as well. The lane assignments and program will be based on this information.

A scratch meeting will be held at 7:30 a.m. the day of the meet (please report to Announcer's Stand—JoLynne Blake & Sandra Torosian). All scratches and relay cards will be due at this time and may be done by the **Head Coach only**. If you know of swimmers that won't be at the Valley Finals meet than please let us know at this time and we can submit the names to the CVRSL official at the meet.

Any swimmer missing an individual event will be scratched from their next individual event. Each team is required to get their own swimmers to the staging area when their event is called.

No coaches will be allowed in the block area. Violation of the block area can result in the disqualification of the swimmers. (Exception: Coaches will be able to walk 10 & under relays to the block to line up. Once swimmers are lined up, they must then step back from the block area.

Concessions

We will have our fantastic concessions running, as well as wonderful hospitality. There will be a variety of food and drink items at the meet including breakfast burritos, melted ham/cheese croissants, chicken croissant sandwiches, pizza, hamburgers, hot dogs, and fruit.

Special Concerns and Requirements:

1. Shade is scarce at the Crandall Swim Complex so we would encourage teams to bring tarps, umbrellas, etc. to provide shade for your swimmers.
2. All swimmers are asked to wait for their events in Tent City (see map for location). A PA system will announce upcoming events.
3. Coaches: Swimmers will not be allowed to meet with their coaches on deck. After warm-ups have been completed, only those swimmers who have been processed through the staging area will be allowed on deck.

4. A warm-up/cool-down area will be provided for swimmers **11 years and older**. Swimmers will be allowed in that area of the pool only under the direct supervision of their coach. **THIS IS NOT A PLAY AREA.**
5. Swimmers are encouraged to bring sandals to protect against the heat of the pavement.
6. Body oil is prohibited inside the pool complex. If a swimmer reports to the block wearing body oil, the Starter will suspend the meet until that swimmer has removed the oil. Sun screen is permissible.
7. First Aid is available for swimmers (see Map for location).
8. RV parking is available at the east side of the main parking lot on the grass.
