

Volunteer Buyout Plan

Attention Parents:

Parent volunteers are needed for every home and away meets. When you register for the swim season, a second check for \$50.00 will be collected. Once you volunteer 3 times in the season, your check will be returned to you. Many of you volunteer much more than the minimal requirement, of which we are very appreciative of. We encourage each of you to continue to volunteer more than the required 3 times.

Practice will begin on May 3rd at 6pm. A mandatory meeting will be held at this practice. This meeting will be informational and will offer an opportunity to answer questions. Please plan to attend.

Thank You
